

St. Andrew South Eastern

Julian Robinson

Councillor - Candidate (Trafalgar Division)

"Every vote counts. Your vote can make a difference on December 5th."

Dear Resident

On **Wednesday, December 5**, Jamaicans will once again go to the polls – this time to elect their Councillors – their local government representatives.

Local Government Matters

Local government elections have traditionally been characterised by a very low voter turn out because citizens do not readily make the connection between the quality of life in their communities and the election of councillors.

Who you choose to be your councillor and how well that person advocates on your behalf affects how well your roads are maintained, your drains are cleaned, and what buildings and developments are approved in your area.

Your Vote Can Make the Difference

It's easy to think that "My one vote won't make a difference". Indeed, your vote can and will make a difference in electing the councillor of your choice. In the September 3rd General Elections, 3 seats were decided by fewer than 100 votes, and in 2 cases, the winning candidate was victorious by a margin of between 10 - 15 votes. In these cases, each vote did make a difference.

My Record of Advocacy and Service

Over the past 2 years, I have had the privilege and honour of being the councillor candidate for this Division. During that time I have worked hard to provide quality representation, visiting communities and liaising with citizens' organisations and individual residents. I have lobbied for:

- Repairs to roads
- Repairs to street lights
- Cleaning of drains
- Enforcement of building covenants and zoning regulations

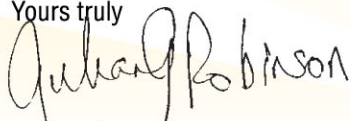

I have initiated football and netball competitions and supported the upgrading of basic schools, among other activities.

I pledge that as your elected councillor, I will continue my efforts to improve the quality of life for all residents. I will bring integrity, hard work and commitment to all that I do. I will be a strong and present advocate for all residents of the Trafalgar Division. I will continue to work to make a difference in your lives.

On Election Day, Wednesday, December 5, I seek your support and vote.

Your vote will make a difference so that I can make a difference.

Yours truly

JULIAN J. ROBINSON

ps: For those of you without your Voter ID card, please make arrangements to collect it at the local EOJ office at 11^{1/2} Swallowfield Road, Kingston 5 (Opposite the Exam Depot). Tel # 920-6404. Having your ID will reduce the time you have to wait to vote.
